For 90+ years, the North Dakota Hospital Association (NDHA) has worked for the betterment of hospitals by instituting programs in education, government relations, and communications. A strong, unified NDHA is essential to the effectiveness of hospitals and to the future of the state's health care system.

Join us in support of hospitals around the state and showcase your business to an engaged audience of hospital decision-makers, stakeholders, and influencers in the health care industry.

---

# Sponsorship & Support Levels

*With the packages and perks described, tailor your support to your needs for a truly unique experience. Position your brand to attract and engage decision-makers and influencers from the NDHA audience.*

Thank you for your consideration of NDHA's sponsorship opportunities. This program will give you new ways to network and market to hospital providers.
