Registered Nurse (RN) – Oncology Nurse
Location: SMP Health – St. Aloisius, Harvey, ND
Position Type: Part-Time

Overview

SMP Health – St. Aloisius is bringing oncology services to Harvey and is
seeking a compassionate and skilled Registered Nurse (RN) to support oncology clinic and infusion
services. This position offers the opportunity to be part of the introduction of oncology care within our
community, helping patients receive treatment closer to home.

Responsibilities

- Provide patient-centered nursing care in the oncology clinic and infusion setting

- Support chemotherapy and infusion treatments in collaboration with providers

- Monitor patients before, during, and after treatments to ensure safety and comfort

- Educate patients and families on treatment plans, medications, and follow-up care

- Maintain accurate documentation and support quality and safety initiatives

- Collaborate closely with providers, pharmacy, and clinical staff to ensure coordinated care

Qualifications

- Current Registered Nurse (RN) license in North Dakota (or eligibility for licensure)

- Oncology Nursing Society (ONS) certification required (assistance available to obtain)

- Prior oncology or infusion experience preferred, but not required

- Strong communication and organizational skills

- Commitment to compassionate, patient-centered care

Why Join St. Aloisius?

- Competitive, negotiable wage based on experience

- Support and assistance with ONS certification

- Opportunity to help introduce oncology care to the Harvey community

- Supportive, faith-based, team-oriented work environment

- Meaningful work serving patients in a rural healthcare setting
