

Title: Vice President, Patient Care Services

Location: CHI Mercy Health – Valley City, North Dakota

Contact: Mary Raymond | 312–291–1909 | mary.raymond@commonspirit.org

The Opportunity

Are you a strategic healthcare leader ready to shape the future of clinical excellence in a community-centered environment? CHI Mercy Health, a member of CommonSpirit, is seeking a Vice President of Patient Care Services to lead our clinical strategy. In this vital role, you will serve as a key member of our executive team, driving clinical quality, fostering a culture of patient-centered care, and ensuring our legacy of service continues to meet the evolving needs of the Valley City community.

The Impact You'll Make

In this role, you aren't just managing departments; you are defining the standard of care for our patients. You will:

- **Architect Clinical Strategy:** Lead the comprehensive planning and organization of Patient Care Services, aligning operational goals with the long-term mission of CommonSpirit Health.
- **Champion Collaboration:** Partner with medical staff and department leaders to foster an environment of excellence, clinical safety, and continuous improvement.
- **Operational Stewardship:** Implements operational controls to ensure the effective and efficient utilization of the physical, financial and human resources of clinical departments.
- **Lead with Vision:** Serve as a core member of the executive team, participating in long-range planning, policy development, and the establishment of clinical objectives that keep Mercy Health at the forefront of rural healthcare.

What We're Looking For

- **Education:** Master's degree in Nursing, Healthcare Administration, or Business Administration (with a healthcare focus) is required. (Bachelor's degree required).
- **Leadership Depth:** 5+ years of progressive senior leadership experience, underpinned by 7–10 years of nursing or clinical background.
- **Strategic Mindset:** Proven ability to manage complex operations, influence cross-functional teams, and navigate the unique challenges of healthcare leadership.
- **Bonus Points:** Experience within a Critical Access Hospital environment is highly desirable.

Why Join Us?

At CHI Mercy Health, you get the best of both worlds: the resources and support of a national leader like CommonSpirit, combined with the intimacy and impact of a community-focused hospital. You will be joining a team that has been a cornerstone of Valley City since 1928, committed to the healing ministry.
