The Opportunity

Are you an accomplished clinical leader with a passion for elevating healthcare in a community where your impact is both visible and lasting? CHI St. Alexius Health in Dickinson, ND, a proud member of CommonSpirit Health, is searching for a Vice President of Patient Care Services to serve as the driving force behind our clinical operations and care delivery. This is more than an executive position — it is an invitation to become a transformative presence in the lives of patients, families, and care teams across western North Dakota.

The Difference You Will Make

This role carries with it the rare opportunity to influence care delivery at every level of the organization. As VP of Patient Care Services, you will:

- **Shape the Clinical Vision:** Develop and execute a forward-thinking strategy for Patient Care Services that reflects the mission and values of CommonSpirit Health while addressing the distinct healthcare needs of our region.
- **Build a Culture of Excellence:** Cultivate meaningful partnerships with medical staff, clinical departments, and interdisciplinary teams to advance patient safety, quality outcomes, and a spirit of continuous improvement.
- **Drive Operational Performance:** Establish and maintain the operational frameworks necessary to optimize the use of financial, human, and physical resources across all clinical service areas.
- **Influence at the Executive Level:** Function as an integral voice on the senior leadership team, contributing to long-range organizational planning, policy

formation, and the advancement of clinical initiatives that strengthen CHI St. Alexius Health's standing as a regional healthcare leader.

What We're Looking For

- **Education:** Master's degree in Nursing, Healthcare Administration, or Business Administration (with a healthcare focus) is required (Bachelor's degree is required)
- **Leadership Experience:** 5+ years of progressive senior leadership experience, underpinned by 7–10 years of nursing or clinical background.
- **Strategic Mindset:** Proven ability to manage complex operations, influence cross-functional teams, and navigate the unique challenges of healthcare leadership.
- **Bonus Points:** Experience within a Critical Access Hospital environment is highly desirable.

Why CHI St. Alexius Health — Dickinson?

Choosing CHI St. Alexius Health means stepping into a role where your leadership truly matters. As part of the CommonSpirit Health network, you will have access to the tools, technology, and organizational support of one of the nation's largest nonprofit health systems — while enjoying the close-knit culture and community connection that defines life and work in Dickinson, ND.
